Past village industry:
Details of listed buildings. Please include information such as address, map reference, reasons for listing:
Details of other interesting buildings, or local architectural styles:

Please use this page to sketch a map of your village. Please use an arrow to indicate North. It doesn't need to be a detailed map but we would like to have an idea of where the following features are:

- war memorials
- historic and other notable buildings
- village ponds, village greens, traditional road signs, market cross etc.
- current village facilities and locations e.g. schools and shops
- previous village facilities and locations
- anything else of local interest.

Details and locations of known archaeological features and scheduled monuments e.g. sites of deserted medieval villages, Roman villas and ridge and furrow. Please include map references, a North arrow and draw a sketch map.

Village hall name and history:

Prominent natural history features:

Surrounding farm names. Include origins, if known:

Interesting road names. Include origins, if known:

Common village surnames past and present. Include origins, if known:

Notable villagers:

Quirky village history / village traditions:

Are you aware of any transcribed probate inventories relating to your village? If yes please give details:

Any other historical features you'd like us to know about?

Thank you for taking the time to complete our survey. Please provide your name, email address and phone number so we can keep you up-to-date with the project and how the information you have provided will be used.

--

In order to help promote the results to your village please also help us with the following information:

Links to any village websites, blogs or social media:
Details of any village newsletters and magazines, along with editorial contact details:
Details of any village history groups and societies, along with contact details:
Please list any businesses within your village, along with contact details:
Details of any annual or regular village events:

When completed, please return to Heritage Lincolnshire via htl@heritagelincs.org or call 01529 461499 to discuss sharing your information.

Here are a few websites and books to help you along your way...
